GENERAL TERMS & CONDITIONS OF SALE	
The following terms and conditions ('Terms') apply to each auction or other listing whether conducted by mode of e-auction or sealed bidding process upon an open auction on request for tender ("Auction") conducted by Authorised Auctioneers on behalf of John Deere India Private Limited ('John Deere').	
1.	As used in these Terms, each bid or offer submitted in any Auction is an "Offer" and each person who participates in any Auction in response to any such Notice for Tender ("Tender") is a "Participant". As used in these Terms, the Participant or the Purchaser shall also refer to the successors, assigns, proprietors, partners for the time being or successors thereof; heirs, executors, administrators or legal representatives for the time being or successors thereof, as it may apply to the meaning or context thereof as applicable.
2.	The Purchaser or the Purchasers is/are the winning Bidder or Bidders that submits the bid in response to an Tender and which is acknowledged as selected and communicated in writing as such to the Purchaser(s) or on behalf of the John Deere by an Authorised Auctioneer of John Deere. The Auctioneer authorized by John Deere is <Name> and <Name> ('Auctioneer') is not acting as an agent for any Participant, Purchaser or John Deere in any capacity.
3.	By registering for any Auction, the Participant and/or the Purchaser acknowledged having read and agreed to an accepted these Terms of responding to the Auction and terms of sale and that such Terms shall govern the Auction and the Purchase of any materials which is the subject matter of the Auction. Participation and bidding will imply that the Bidder and/or Purchaser has carefully gone through the terms and conditions of the Bidding, including amendments, if any, prevailing at the time of the auction. No objections or complaints will be entertained at any point of time either before or after placing of the bid.
4.	John Deere is not liable or bound in any manner for any representation or statements which are not contained in the Terms or are contrary to or inconsistent there with purported to be made by John Deere, the Auctioneers or any officer of John Deere.
5.	Tender forms will be distributed by Auctioneer at the time of inspection of the Material. Tender Packets without seal will not be accepted. John Deere reserves the right of accepting or rejecting any/all Tender(s) without assigning any reason whatsoever. Decision taken by John Deere will be final and binding on the Purchaser. . Purchaser's offer must be valid for a minimum period of 30 days from the date of submission of the sealed bid.
6.	Materials which are the subject matter of the Tender are treated as Scrap, rejected, write-off materials, obsolete and condemned. Description / photos if any mentioned in Tender are used to describe the Material only. Inspection of the material shall be arranged after announcement of Tender. Participants are advised to inspect the material and seek clarifications if required before submitting their offer. No dispute on account of difference in quality or description will be entertained. The Material are kept in the "Scrap Yard" in open space and John Deere will not be in any manner responsible for any damage/deterioration of the Material at any point of time prior to or at the time of including from the opening of the Tender till sale of the Material to the Purchaser('Contract period'). Numbers, quantities or tonnage or nature of Material given in the Tender may be mere approximations and the Material will be sold without any regard or consideration of these numbers / tonnage or nature of Material and no warranty or guarantee shall be implied.

7.	All Material which forms the subject matter of the Tender for which the Participant participates and/or are bought by the Purchaser are on "AS IS - WHERE IS BASIS", "AS IS WHAT IS BASIS" and "NO COMPLAINT BASIS". Participation and bidding in the Auction shall be treated as conclusive evidence of the fact that the Bidder has inspected the Material and the related documents pertaining to the Auction as well as the documents related to the Material, and has agreed and accepted all the terms and conditions including any special terms and conditions as may be applicable to the Material and that the Bidder is satisfied in all respects regarding the quality, quantity, condition of the Material and related documents. No representation or warranty is made by John Deere relating to the adequacy, completeness or legal sufficiency or tax consequences of any related documentation provided or supplied by John Deere in relation to the Auction or Purchase.
8.	John Deere makes not warranties or representation express or implied including but without limitation to title, merchantability, satisfactory, or quality and does not give warranty or guarantee of the quality, performance or condition of the Material or related documentation thereof and about its "End Use" or fitness for a particular purpose of the Material. The highest/lowest Purchaser does not get any right to demand acceptance of his bid/offer. John Deere is not under any obligation to put up the lots singly or serially or in any particular manner. Any Material not covered explicitly in the description of the lot, if found in any of the lots while effecting delivery, the same shall be treated as John Deere's property. The Purchaser shall not lift from the lots any such Material and shall have no claim to the same or ask for any compensation on account thereof. John Deere will not be liable for delay in handing over the Material or the related documentation in any manner whatsoever and no claims of any nature will be entertained in this regard. For the facility of the Purchaser suitable lots are made. Purchaser should quote the rate against each lot in figures and words and sign the same against the lot he intends to purchase. Rate for each lot is to be quoted separately. Even if the Purchaser intends to purchase more than one lot, he should quote separately for each lot. Purchaser should not quote together for more than one lot. Offer quoted in this manner will not be considered. It is expressly clear that John Deere reserves the right to fix reserve price for various Materials or accept or reject in full or part any offers received without assigning any reason whatsoever, nor is in any manner bound to accept the highest offer from the bidders.
9.	Purchaser should quote the rate of lot/lots only in the proforma attached or enclosed with Tender form. The Purchaser has to make his own arrangement for loading and transportation of the Material. John Deere shall not pay any extra cost towards the same. If the Purchaser intends to purchase more than one lot, he is entitled to pay total deposit amount by single Demand Draft only. In this case a statement should be attached to the Demand Draft showing the lots for which he has paid the deposit and the amount he has quoted for each lot. Wherever common Purchaser is mentioned against lot in the Tender form it is mandatory for the Purchaser to quote for all the Material mentioned under common Purchaser group. In case the Purchaser fails to lift on time even a single lot from the lots allotted to him, John Deere shall have right to disqualify & forbid such Purchaser from lifting further Material on the grounds of his performance failure and forfeit his ENTIRE DEPOSIT FOR ALL THE LOTS.
10.	The quantity mentioned in the "Quantity Offered" column is "approximate" which is expected to be generated during the contract period and may vary depending upon the business conditions. No Complaint will be entertained. Material for sale are to be defaced at no extra cost and to the satisfaction of John Deere representative before taking out / All the items for sale are on "As is where is", "AS IS WHAT IS" and "no complaint basis" and subject to the other terms and conditions as may be applicable to it and attached herewith. John Deere reserves the right to accept/reject/cancel any bid/offer, withdraw any portion of the Material at any stage from auction, even after acceptance of bid/offer, issue of delivery order/purchase order without assigning any reason thereof. In the event of such rejection, cancellation or withdrawal, John Deere shall not be responsible for any damages/loss to the Purchaser on account of such rejection, cancellation or withdrawal and no claims in any manner will be entertained in this regard. John Deere's representatives supervising the auction will have authority to amend the unit of quantity of any lot.

11.	Government levies, taxes and duties as applicable will be charged extra on the bid rates. GST, Service tax as may be applicable will have to be paid separately at the time of lifting of the material. C form transaction will not be applicable. Income Tax as applicable is payable by the Purchaser. All taxes, duties or government levies including but not limited to sales tax, terminal tax, excise duty, cess and or any other duties imposed whether payable to the Central Government or State Government, Municipal, Local or other authorities will be deposited by the Participant or the Purchaser alongwith the purchase money as part of the payment. Any revision in Government levies, taxes or duties or sales tax and any other taxes will borne by the Participant or the Purchaser, as the case may be
12.	Tender will be rejected if required Interest free Earnest Money Deposit (10% of tender amount) is not paid by the Purchaser in the form of Demand Draft / Cheque along with the offer. The Interest free Earnest Money Deposit would be returned to unsuccessful Bidder within fifteen days of completion of Auction process after adjusting of dues/debits and any other charges payable by the unsuccessful Bidder, if any as per the contract terms in this regard. Material offered shall be removed as per schedule mentioned in the intimation to that effect from John Deere in the presence of John Deere representative, by making full payment by Demand Draft. If the Purchaser fails to remove the Material within aforesaid time limit, a service charge of Rs.10,000/- per day per lot shall be payable by the Purchaser. After 7 days of the intimation, if the Material is not removed, the un-cleared Material shall be offered to other party/parties as the case may be & the loss incurred alongwith the service charges will be recovered from Earnest Money Deposit of the defaulting Purchaser. John Deere can also terminate the contract for non-performance, forfeit the deposit and award the contract to any other party it may feel appropriate. Deposit amount cheque / DD will be returned to Participant/Purchaser within One month if the Tender is not accepted. The deposit amount will bear no interest in any manner whatsoever. The Participant/Purchaser and its representatives shall at all times follow the internal documentation procedure and process for lifting the Materials for entry and exit in John Deere premises shall obtain valid gate passes for the purposes of lifting the Material.
